GUIDE:

1. Preliminary Pages

- **Title Page:** Full name, course/major, name of host organization, and duration of the OJT.
- **Table of Contents:** Clear list of sections for easy navigation.
- **Approval Sheet:** Signed by your supervisor or OJT coordinator.
- **Acknowledgement:** A brief section to thank those who supported your training.

2. Student Trainee Profile

- **Personal Information:** Contact details, educational background, and a professional photo.
- **Training Details:** Host Training Establishment (HTE) name, department assigned, and direct supervisor's name.
- **Learning Objectives:** Specific skills or knowledge you intended to acquire.

3. Company Overview

- **Company Profile:** History, mission, vision, and core values.
- **Organizational Structure:** A hierarchy chart showing where you fit in.
- **Department Description:** Specific functions of the office where you were deployed.

4. Daily/Weekly Work Log

This is the core of the journal. Use a consistent table or list format for each entry:

- **Date and Time:** Recording exact hours worked.
- **Task Description:** Bullet points of specific duties performed (e.g., filing, data entry, client meetings).
- **Competencies Applied:** Academic knowledge or classroom theories used in the task.
- **New Knowledge Gained:** Soft or technical skills learned that day.

5. Reflection & Evaluation

- **Monthly Reflections:** Summarize major challenges and successes encountered during each month.
- **Self-Evaluation:** Honesty about your performance and areas for improvement.
- **Supervisory Feedback:** Summarize critiques or feedback received from your mentor.

6. Appendices & Documentation

- **Daily Time Record (DTR):** Signed attendance logs.
- **Photo Documentation:** Pictures of you performing tasks (ensure company permission first).
- **Samples of Work:** Redacted or approved copies of reports, designs, or forms you created.
- **Certificates:** Copies of your OJT certificate of completion.
